*Timothy Schwab – Foundations Rising*

**Key: E Major**

**Tempo: Moderate Anthem**

## INTRO

**E B C#m A**

## VERSE 1

**E**

In the pages of old, there's a Name so divine,

**B**

YHWH, the essence, through the ages it shines.

**C#m**

In the scriptures it flows, creation's heartbeat,

**A**

But where did it go, in the New it's a feat?

**E**

They whispered in shadows, tried to hazy the light,

**B**

But in the silence, truth rises, ready to fight.

**C#m**

A mystery unfolds, a sacred return,

**A**

The light shines bright, let the whole world learn.

## PRE-CHORUS

**F#m A**

Can you hear it in the air?

**E B**

The whispers of the sage

**F#m A**

The Name lives on forever  
**E B**  
It's time to turn the page!

## CHORUS

**E**  
(Chant it loud now!) Yahuah, let it be known  
**B**  
Hallelu-Yah, no longer alone  
**C#m**  
We're rising up, hear the truth we proclaim  
**A**  
The Name that they tried, to erase, we reclaim!

**E**  
Yahuah, let it be known  
**B**  
Hallelu-Yah, no longer alone  
**C#m**  
We're rising up, hear the truth we proclaim  
**A**  
The Name that they tried, to erase, we reclaim!

## VERSE 2

**E**  
Hallelu-Yah, a shout from the soul  
**B**  
It's alive in our hearts, it makes us whole  
**C#m**  
From every nation, language, and place  
**A**  
Yahuah aligns with linguistics of grace

**E**  
It was never erased, only held in disguise  
**B**  
Like a treasure buried deep, waiting to rise  
**C#m**  
Through hymns and praises, it spots the plight  
**A**  
Generations recall in their spiritual fight

## **BRIDGE (Spoken / Anthem Build)**

**C#m**

It's time for restoration, the world needs to see
