

I Offer Me To You

[Intro]

A quiet moment, hearts aligned,
In this sacred space, I leave it all behind.

[Verse 1]

I let go of all this world,
Of all I was and all I am,
I lay my flesh before your throne,
Your will be done, your kingdom come.
The shadows fade, the doubts unwind,
In your embrace, my heart is blind.
With every breath, I feel anew,
I offer me to you.

[Chorus - Soft]

Here is my heart,
Made soft for you.
Here is my soul,
Made clean for you.
Here is my sin,
I lay at your feet,
I offer me to you.

[Chorus - Full]

Here is my heart,

I give it to you.

Here is my soul,

Lord, I'm made new.

Here is my sin,

At your feet, I surrender,

I offer me to you, my forever defender.

[Verse 1 Again]

I let go of all this world,

Of all I was and all I am,

I lay my flesh before your throne,

Your will be done, your kingdom come.

In every whisper, your love so profound,

In every heartbeat, your grace I've found.

Here in your presence, my spirit's renewed,

I offer me to you.

[Chorus - Full]

Here is my heart,

I give it to you.

Here is my soul,

Lord, I'm made new.

Here is my sin,

At your feet, I surrender,

I offer me to you, my forever defender.

[Bridge - Soft building to full]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours, [SING: I am yours]

And I am yours. [SING: I am yours]

[Chorus - Soft]

Here is my heart,

Made soft for you.

Here is my soul,

Made clean for you.

Here is my sin,

I lay at your feet,

I offer me to you.

[Chorus - Full]

Here is my heart,

I give it to you.

Here is my soul,

Lord, I'm made new.

Here is my sin,

At your feet, I surrender,

I offer me to you, my forever defender.
