

[Verse 1]

When peace like a river attendeth my way,
Calm waters carry me on through the day,
With heart open wide to the love I unfold,
No burdens to bear, for my spirit is bold.
Through shadows and trials, through valleys so low,
With faith as my anchor, it's here that I grow.
In storms that may rise, I'll stand firm and I'll say,
'It is well, it is well with my soul.'

[Refrain]

It is well with my soul; through the nights so cold,
I find strength in the light that you enfold.
Through all pain untold, in grace I behold,
It is well, it is well with my soul.

[Verse 2]

Though Satan should buffet, though trials may come,
Let peace be my fortress; let love be my drum.
This blessed assurance through truth shall control,
For Yahusha has saved and redeemed every soul.
In moments of doubt, His promise I claim,
Held close in His arms, I feel love's gentle flame.
Hope rises within me, anchored and whole,
For it is well, it is well with my soul.

[Refrain]

It is well with my soul; through the nights so cold,
I find strength in the light that you enfold.
Through all pain untold, in grace I behold,
It is well, it is well with my soul.

[Bridge]

I still see your face, I sense your embrace,
In the quiet moments, I feel your grace.
With every heartbeat, my fears fade away,
In the arms of love, I will ever stay.

[Verse 3]

Oh, my sin, what a beautiful thought,
Nailed to the tree, every battle I fought.
The weight of the world, I'll bear it no more,
He walks by my side, my heart starts to soar.
With praises I rise, my burdens set free,
Thank you, Yahusha, for loving so deeply.
In joy and in sorrow, through highs and the lows,
It is well, it is well with my soul.

[Refrain]

It is well with my soul; through the nights so cold,
I find strength in the light that you enfold.
Through all pain untold, in grace I behold,

It is well, it is well with my soul.

[Verse 4]

Yahuah, haste the day my faith shall be sight,
When clouds part asunder and reveal your light.
The trump shall resound, and love will descend,
Knowing in my heart that Love knows no end.
Even so, I rest, my spirit, made whole,
Forever we'll sing, it is well with my soul.

[Refrain]

It is well with my soul; through the nights so cold,
I find strength in the light that you enfold.
Through all pain untold, in grace I behold,
It is well, it is well with my soul.
