**Feel:** Joyful, celebratory praise

## INTRO

**C F C G**

## VERSE 1

C            G            Am            F  
I will sing unto Yahuah, He has won the day!  
C            F            C            G  
His mighty hand has cleared the way.  
Am            G            F            C  
Pharaoh's pride was washed away,  
F            G            C  
Yahuah alone has saved this day!

## CHORUS

F            G            C            Am  
Lift your hearts, lift your hands,  
F            G            C  
Yahuah's people free at last!  
F            G            C            Am  
Walked through water, safe and true,  
F            G            C  
All our praise belongs to You!

## VERSE 2

C            G            Am            F  
He blew His breath, the sea rolled wide,  
C            F            C            G  
His children crossed to the other side.  
Am            G            F            C  
His love went first, His light our guide,  
F            G            C  
And we will sing forever by His side.

## CHORUS

F            G            C            Am  
Lift your hearts, lift your hands,  
F            G            C  
Yahuah's people free at last!  
F            G            C            Am  
Walked through water, safe and true,  
F            G            C  
All our praise belongs to You!

## VERSE 3

C            G            Am            F  
He led us home to His holy mountain,  
C            F            C            G  
Gave us His Word like a living fountain.  
Am            G            F            C  
Our hearts will keep His way so true,  
F            G            C  
Until the King makes all things new!
