

Eye of the Storm

[Verse 1]

When the winds are howling and the shadows fall,
I can hear the thunder, I can feel it all.
In the chaos surrounding, where hope seems to fade,
I lift my eyes upward, to the love that I've made.
Storms may try to shake me, but I will stand tall,
With faith as my anchor, I will never fall.

[Chorus]

In the Eye of the Storm,
There is comfort and peace,
In the center of darkness,
A sense of relief.
Though surrounded by destruction,
I will make it through the mourn,
I-I-I'm in the Eye of the Storm.

[Verse 2]

When the rain is pouring like a river of tears,
And the voices of doubt echo loud in my ears,
I search for the silence, where the Spirit resides,
In the heart of the whirlwind, I will abide.
Through the trials and troubles, I'll carry the light,
Connected to heaven, I can face the night.

[Chorus]

In the Eye of the Storm,
There is comfort and peace,
In the center of darkness,
A sense of relief.
Though surrounded by destruction,
I will make it through the mourn,
I-I-I'm in the Eye of the Storm.

[Bridge]

Oh, storms will come and storms will go,
But my heart is anchored; I will always know,
In the midst of the chaos, through every fear,
Your love wraps around me, always near.
I find my strength in the trials I've faced,
Your mercy and grace, I can never replace.

[Verse 3]

Through the fire and the flood, I am never alone,
Your whispers bring courage, a voice like my own.
When the lightning strikes and the darkness will loom,
I close my eyes slowly, feel Your presence bloom.
Each tear that I shed, You catch in Your hands,
In the Eye of the Storm, I take my stand.

[Chorus]

In the Eye of the Storm,

There is comfort and peace,

In the center of darkness,

A sense of relief.

Though surrounded by destruction,

I will make it through the mourn,

I-I-I'm in the Eye of the Storm.

[Outro]

So here in the stillness, I lift up my praise,

In the Eye of the Storm, I'll keep seeking Your ways.

With my heart open wide, I will dance through the night,

For I know in Your presence, everything's right.

In the Eye of the Storm, my spirit will soar,

Forever and always, I will trust in You more.
