

Make A Joyful Noise Lyrics

[Verse 1]

Enter into His gates with thanksgiving,
And into His courts with praise,
Be thankful and bless His name,
Yahuah! Yahuah! Yahuah! Yahuah!
Bring offerings to Yahuah,
Into His storehouse,
Oh, be thankful and bless His name,
Yahuah! Yahuah! Yahuah! Yahuah!

[Chorus]

Come before Him singing,
Serving Him with gladness,
We His people, the sheep of His pasture,
Make a joyful noise to Yahuah,
Shout and sing, let our praises ring,
His mercy and His truth endures,
Make a joyful noise, let the heavens react,
With every heart united, together we'll act!

[Verse 2]

All ye lands, serve Him with gladness,
Not ourselves but He made us,
For we know that He is God,

Yahuah! Yahuah! Yahuah! Yahuah!

Yahuah is good and just,

So we fear Him as we must,

For we know that He is God,

Yahuah! Yahuah! Yahuah! Yahuah!

[Chorus]

Come before Him singing,

Serving Him with gladness,

We His people, the sheep of His pasture,

Make a joyful noise to Yahuah,

Shout and sing, let our praises ring,

His mercy and His truth endures,

Make a joyful noise, let the heavens react,

With every heart united, together we'll act!

[Bridge]

To all generations,

Yahuah! Yahuah! Yahuah! Yahuah!

To all nations,

Yahuah! Yahuah! Yahuah! Yahuah!

His mercy everlasting,

His truth endures,

Lifting our voices, we will stand tall,

In His presence, we're giving our all!

[Chorus]

Come before Him singing,
Serving Him with gladness,
We His people, the sheep of His pasture,
Make a joyful noise to Yahuah,
Shout and sing, let our praises ring,
His mercy and His truth endures,
Make a joyful noise, let the heavens react,
With every heart united, together we'll act!

[Outro]

So dance, oh, rejoice, let the world hear our song,
For Yahuah is good, and in Him we belong!
With every heartbeat, let's proclaim His name,
Make a joyful noise, we'll never be the same!
