

[Verse 1]

O soul, are you weary and troubled?  
No light in the darkness you see?  
There's light for a look at the Savior,  
And life more abundant and free!  
In the storms that surround you, hope is often rare,  
But lift up your gaze, He'll answer your prayer.  
Feel the warmth of His love, a beacon of grace,  
Turn your heart toward Him and see His face.

[Chorus]

Turn your eyes upon Yahusha,  
Look full in His wonderful face,  
And the things of earth will grow strangely dim,  
In the light of His glory and grace.

[Verse 2]

Thro' death into life everlasting,  
He passed, and we follow Him there;  
O'er us sin no more hath dominion--  
For more than conquerors we are!  
His spirit ignites a fire in our soul,  
With each step we take, He makes us whole.  
In shadows of doubt, He guides our way,  
With Yahusha beside us, we'll never stray.

[Chorus]

Turn your eyes upon Yahusha,  
Look full in His wonderful face,  
And the things of earth will grow strangely dim,  
In the light of His glory and grace.

[Bridge]

His Word shall not fail you—He promised;  
Believe Him, and all will be well:  
Then go to a world that is dying,  
His perfect salvation to tell!  
Through heartache and struggle, we carry His name,  
Together we shine, igniting the flame.

[Chorus]

Turn your eyes upon Yahusha,  
Look full in His wonderful face,  
And the things of earth will grow strangely dim,  
In the light of His glory and grace.

[Outro]

Shine on me, Yahusha, shine bright in my life,  
Burning deeper than the sun, extinguishing strife,  
In Your presence, I find my peace, my delight,  
Turn my eyes, Yahusha, to Your glorious light.
