

Shabbat Shalom Lyrics

[Verse 1]

In the beginning, the world was born,
Creation spoke, His light adorned,
From the chaos, He formed the land,
In six days' toil, the work was planned.
With a sigh of peace, He took His rest,
The seventh day, a sacred quest,
He blessed it holy, set it apart,
A rhythm of grace, written in our hearts.

[Chorus]

Shabbat Shalom, let the echoes rise,
In every heart, where the spirit lies,
We remember, we honor, with a joyful song,
Keeping Your Sabbath holy, where we all belong.

[Verse 2]

Moses led with the tablets high,
Commandments spoken, to never deny,
He showed the way to rest in His grace,
A faithful people, in His embrace.
David danced with the harp's sweet sound,
In the presence of Yah, joy was found,
In every rhythm, in every rhyme,

Keeping His rest through the sands of time.

[Chorus]

Shabbat Shalom, let the echoes rise,
In every heart, where the spirit lies,
We remember, we honor, with a joyful song,
Keeping Your Sabbath holy, where we all belong.

[Verse 3]

Yahusha walked among His friends,
In humble moments, His love transcends,
Breaking bread and the Sabbath pure,
In every gathering, our faith secure.
He taught us how to live and be,
In the heart of rest, we find the key,
With every step on this sacred soil,
In the spirit of peace, we find our toil.

[Bridge]

Hebrews four, the promise stands clear,
A community rising, drawing near,
After the ascension, they kept His way,
Shalom in their hearts, in every prayer they say.
Together they gathered in one accord,
Singing His praises, their hearts restored,
Each Sabbath night under the stars above,

In unity they worshipped, filled with His love.

[Chorus]

Shabbat Shalom, let the echoes rise,

In every heart, where the spirit lies,

We remember, we honor, with a joyful song,

Keeping Your Sabbath holy, where we all belong.

[Outro]

So come together, let the music flow,

In His presence, feel the love we know,

From Creation's dawn to the end of days,

Sabbath Peace, we lift Your praise.
