

Sabbath Rejoice Lyrics

[Verse 1]

At sunrise I awaken, with a heart full of praise,
Oh, Yahuah, on this Sabbath, I lift my voice to raise.
In the stillness of the morning, Your promise stands so true,
Abba, I remember all the love I found in You.
As the world keeps on racing, I find my peace right here,
In the rhythm of Your kindness, Lord, I cast away my fear.
Every moment is a treasure, in this time You have bestowed,
I thank You for my Sabbath, for the path that You have showed.

[Chorus]

I thank You, Abba, for this reprieve,
Yahuah Almighty, I do believe.
All of these years, Your promise endures,
Your heart implores, Your love assures.
Singing hallelujah, from my heart, I proclaim,
In the stillness, I adore You, forever bless Your name.

[Verse 2]

In the gathering of voices, as we worship side by side,
With hands uplifted high, in You we will abide.
Yahusha, Lord of Sabbath, Your blessing showers down,
In this joyful celebration, we wear the victor's crown.
With the sun on our faces, and the breeze in our hair,

Every laughter, every moment, reminds us of Your care.
We embrace this holy promise, our burdens now released,
In this sacred time together, we find our souls in peace.

[Chorus]

I thank You, Abba, for this reprieve,
Yahuah Almighty, I do believe.
All of these years, Your promise endures,
Your heart implores, Your love assures.
Singing hallelujah, from my heart, I proclaim,
In the stillness, I adore You, forever bless Your name.

[Bridge]

Come and I will give You Sabbath,
Your Rest Remains, Your Rest Remains,
In the quiet, in the glory, we'll declare Your holy reign.
You've brought us to Your table, where mercy fills the air,
Yahuah, we will honor You, united in our prayer.

[Verse 3]

When the shadows start falling, You'll be my light divine,
Through the trials and the triumphs, in this life You intertwine.
On the seventh day, we gather, singing joyfully in one,
With our hearts set ablaze, our Sabbath has begun.
From sunrise 'til the sunset, we will lift our hands on high,
Yahusha, You are with us, on this promise we rely.

Every heartbeat resonates, with Your love that's ever true,
In this sacred celebration, we're forever close to You.

[Outro]

Oh, Yahuah, we rejoice, in Your presence, we belong,
On this day of Sabbath joy, we will sing our endless song.
