

[Verse 1]

Ancient of Days, who sits throned in glory,
To You all knees are bent, all voices pray;
Your love has blessed the wide world's wondrous story
With light and life since Eden's dawning day.

[Chorus]

Everlasting One, and the Man Son,
We worship before your sovereign seat,
Before the worlds, You were present,
We look around to see Your divine feats.
Creation persists, You will never leave or forsake,
You forever were, You will always be.

[Verse 2]

O Holy Father, who hast led Your children,
In all the ages as with fire and cloud,
Thro' seas dry-shod, thro' weary wastes bewildering,
To You, in rev'rent love our hearts are bowed.

[Chorus]

Everlasting One, and the Man Son,
We worship before your sovereign seat,
Before the worlds, You were present,
We look around to see Your divine feats.
Creation persists, You will never leave or forsake,

You forever were, You will always be.

[Verse 3]

O holy Yah, with heart and voice adoring,
We praise the goodness that does crown our days;
We pray that You will hear us, still imploring
Your love and favor, kept to us always.

[Bridge]

The Light of Creation,
King of every nation.

[Chorus]

Everlasting One, and the Man Son,
We worship before your sovereign seat,
Before the worlds, You were present,
We look around to see Your divine feats.
Creation persists, You will never leave or forsake,
You forever were, You will always be.

[Chorus]

Everlasting One, and the Man Son,
We worship before your sovereign seat,
Before the worlds, You were present,
We look around to see Your divine feats.
Creation persists, You will never leave or forsake,

You forever were, You will always be.
