

# WITHOUT YOU CHORD CHART

*Timothy Schwab – Foundations Music*

**Key: C Major**

**Tempo: ~72 BPM – Worship Ballad**

## INTRO

**C G Am7 F**

## VERSE 1

**C**

I am strong in my weakness,

**G**

I am weak in my strength,

**Am7**

Questioning my faith in You,

**F**

Not knowing the end's length.

**C**

As each moment passes by,

**G**

I see glimpses of my past,

**Am7**

Turning far away from You,

**F**

Seeking things that would not last.

## PRE-CHORUS

**Am7**

Can I keep holding on

**G**

To this dream that I have?

**F**

Can I see past the hurt and the pain?

**Am7**

Can I make it through these trials

**G**

I've never known before?

**F**

I can in Yahusha's name!

## CHORUS

**C**

And I will lift my hands and raise my voice,

**G**

I will worship You and rejoice.

**Am7**

It would be hard to stand through this time

**F**

Without You here by my side.

## VERSE 2

**C**

Every time I praise You,

**G**

I press deeper in,

**Am7**

Devoting my heart to You,

**F**

Away from my sin.

**C**

More and more every day,

**G**

You strengthen my fire,

**Am7**

Learning all You have for me

**F**

Is all I desire.

## PRE-CHORUS

**Am7**

As I walk and talk with You,

**G**

I feel Your presence near,

**F**

You calm all my storms

**G**

And wipe away my fears.

**Am7**

By the Grace of Yah,

**G**

And a touch of Your hand,

**F**

I am healed and whole again!

## **CHORUS**

**C**

And I will lift my hands and raise my voice,

**G**

(I will lift my hands)

**Am7**

I will worship You and rejoice.

**F**

(It would be hard to stand)

**C**

It would be hard to stand through this time

**F**

Without You here by my side.

## **CHORUS – ACAPELLA (OPTIONAL)**

**C**

And I will lift my hands and raise my voice,

**G**

(I will worship You and rejoice)

**Am7**

It would be hard to stand through this time

**F**

Without You here by my side.

## **FINAL CHORUS**

**C**

And I will lift my hands and raise my voice,

**G**

I will worship You and rejoice.

**Am7**

It would be hard to stand through this time

**F**

Without You here by my side.

## OUTRO

**C G Am7 F C**
