

## The Name

### [Verse 1]

In the quiet of the morning light,  
Our souls awaken, hearts take flight,  
Whispers of grace in the softest breeze,  
Echoes of love, bringing us to our knees.  
We gather as one, our voices raised,  
In awe of the wonder, forever amazed.  
Yahuah, Your name, a melody divine,  
In every breath, we find the sign.

### [Chorus]

Yahuah, we sing Your praise,  
In every moment, our hearts ablaze,  
A name that holds the stars in place,  
Your love, our refuge, our sacred space.  
Oh Yahuah, here we stand,  
With lifted hands, in Your command.

### [Verse 2]

In the shadows where the lost reside,  
Your name, a beacon, our hearts collide.  
With every heartbeat, with every tear,  
You wrap us in mercy, always near.  
Filling the void, You mend the pain,

In the rain of grace, we shall remain.  
Yahuah, Your name, our hearts' refrain,  
You break the chains, we're born again.

[Chorus]

Yahuah, we sing Your praise,  
In every moment, our hearts ablaze,  
A name that holds the stars in place,  
Your love, our refuge, our sacred space.  
Oh Yahuah, here we stand,  
With lifted hands, in Your command.

[Bridge]

Ad lib:

Oh, Yahuah, we lift our song,  
With every heartbeat, where we belong.  
Your spirit flows through every soul,  
Together in harmony, we are made whole.  
We rise like the dawn, breaking the night,  
In the warmth of Your love, we find our light.

[Verse 3]

With every trial, You guide our way,  
In the depth of the storm, You're here to stay.  
Your name, a fortress where we find rest,  
In You, Yahuah, we are endlessly blessed.

From the hills to the valleys, we proclaim,  
Your goodness, Your mercy, forever the same.

[Chorus]

Yahuah, we sing Your praise,  
In every moment, our hearts ablaze,  
A name that holds the stars in place,  
Your love, our refuge, our sacred space.  
Oh Yahuah, here we stand,  
With lifted hands, in Your command.

[Outro]

So in the twilight, as we reflect,  
On all that we've learned and all we respect,  
Yahuah, Your name is our heart's desire,  
With every ad lib, we sing, we aspire.  
In unison we carry, Your spirit bestowed,  
In the name of Yahuah, our hearts overflow.
