

[Verse 1]

In the morning light, we rise and shine,
With hearts ignited, love intertwined.
Our faith is strong, with joy we sing,
With You beside us, oh, what joy You bring.
Holding on to promises, we will stand tall,
With Yahusha's name, we can conquer all.
Boldly we declare, our fears we cast away,
In each moment we face, Your strength leads the way.

[Chorus]

I can do all things through Yahusha who strengthens me,
Nothing is impossible, we're set free,
With every step, we rise, we soar,
Our faith, our power, we will roar!
Together we'll shine, in every endeavor,
With Yah in our hearts, we'll fail never!

[Verse 2]

Through valleys low and mountains high,
With trust unshakeable, we reach for the sky.
Your love surrounds us, lifting our souls,
In this vibrant anthem, we'll play our roles.
With laughter and joy, we join hands as one,
In a tapestry of grace, our story's begun.
With unity and strength, our purpose is clear,

In the song of life, let us persevere.

[Chorus]

I can do all things through Yahusha who strengthens me,

Nothing is impossible, we're set free,

With every step, we rise, we soar,

Our faith, our power, we will roar!

Together we'll shine, in every endeavor,

With Yah in our hearts, we'll fail never!

[Bridge]

Every dream we dare to dream, You're working in might,

With courage and trust, we step into the light.

We'll never back down, eyes fixed on the prize,

With Yahusha leading, we're destined to rise!

Fears will fade, doubts will go,

In every heartbeat, Your love will flow.

As we worship in spirit, our spirits will lift,

Together we celebrate this precious gift.

[Chorus]

I can do all things through Yahusha who strengthens me,

Nothing is impossible, we're set free,

With every step, we rise, we soar,

Our faith, our power, we will roar!

Together we'll shine, in every endeavor,

With Yah in our hearts, we'll fail never!

[Outro]

So let this anthem play into the night,

Every moment with Yah, everything feels right.

With vibrant joy, our voices unite,

Our Yah can do anything, shining so bright.

With love and devotion, together we stand,

Holding onto faith, guided by His hand.

So let's lift our song and make it clear,

Our Yah is with us, nothing to fear!
